**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a consumer using Sonic.Net which provides amazing FIBER service at much better rates than the two big major players in two. Taking away their access will kill competition and drive up prices way up for much slower service with providers I can't stand or afford. Please help keep these markets as competitive as possible by letting local providers keep their access.
